

# Toucan Glasses

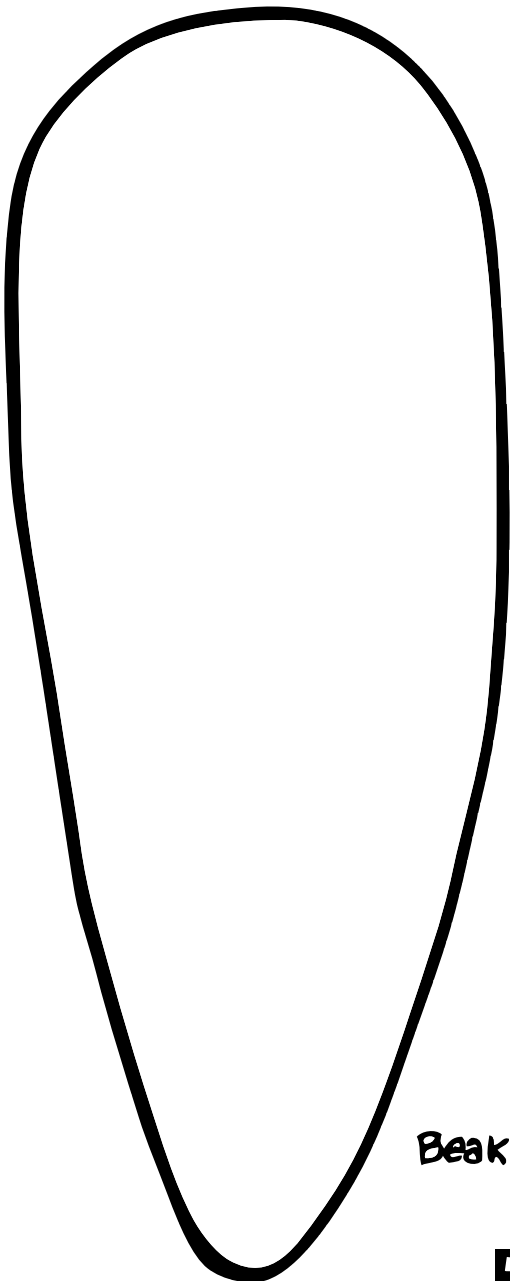

Eye Ring

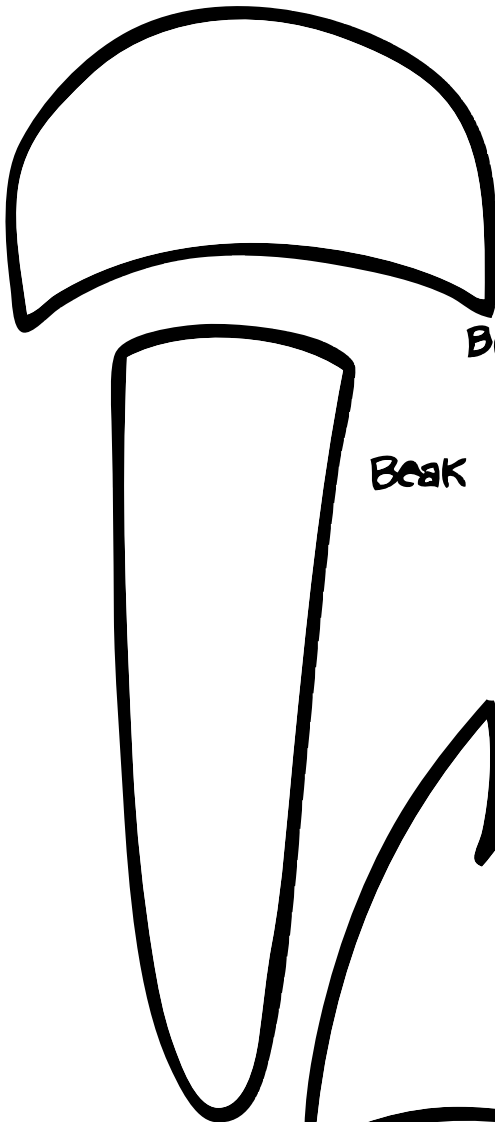

Eye Ring

Eye Feather

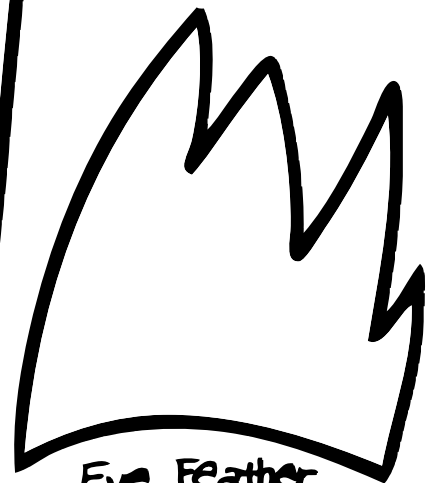

Beak

Beak Band

Beak Highlight

Eye Feather

## Materials

Downloaded pattern for toucan glasses

Child-size plastic glasses

Hot glue gun

Double sided tape

Light blue construction paper

Fluorescent orange poster board

Yellow construction paper

Black marker

Hot glue gun

Scissors

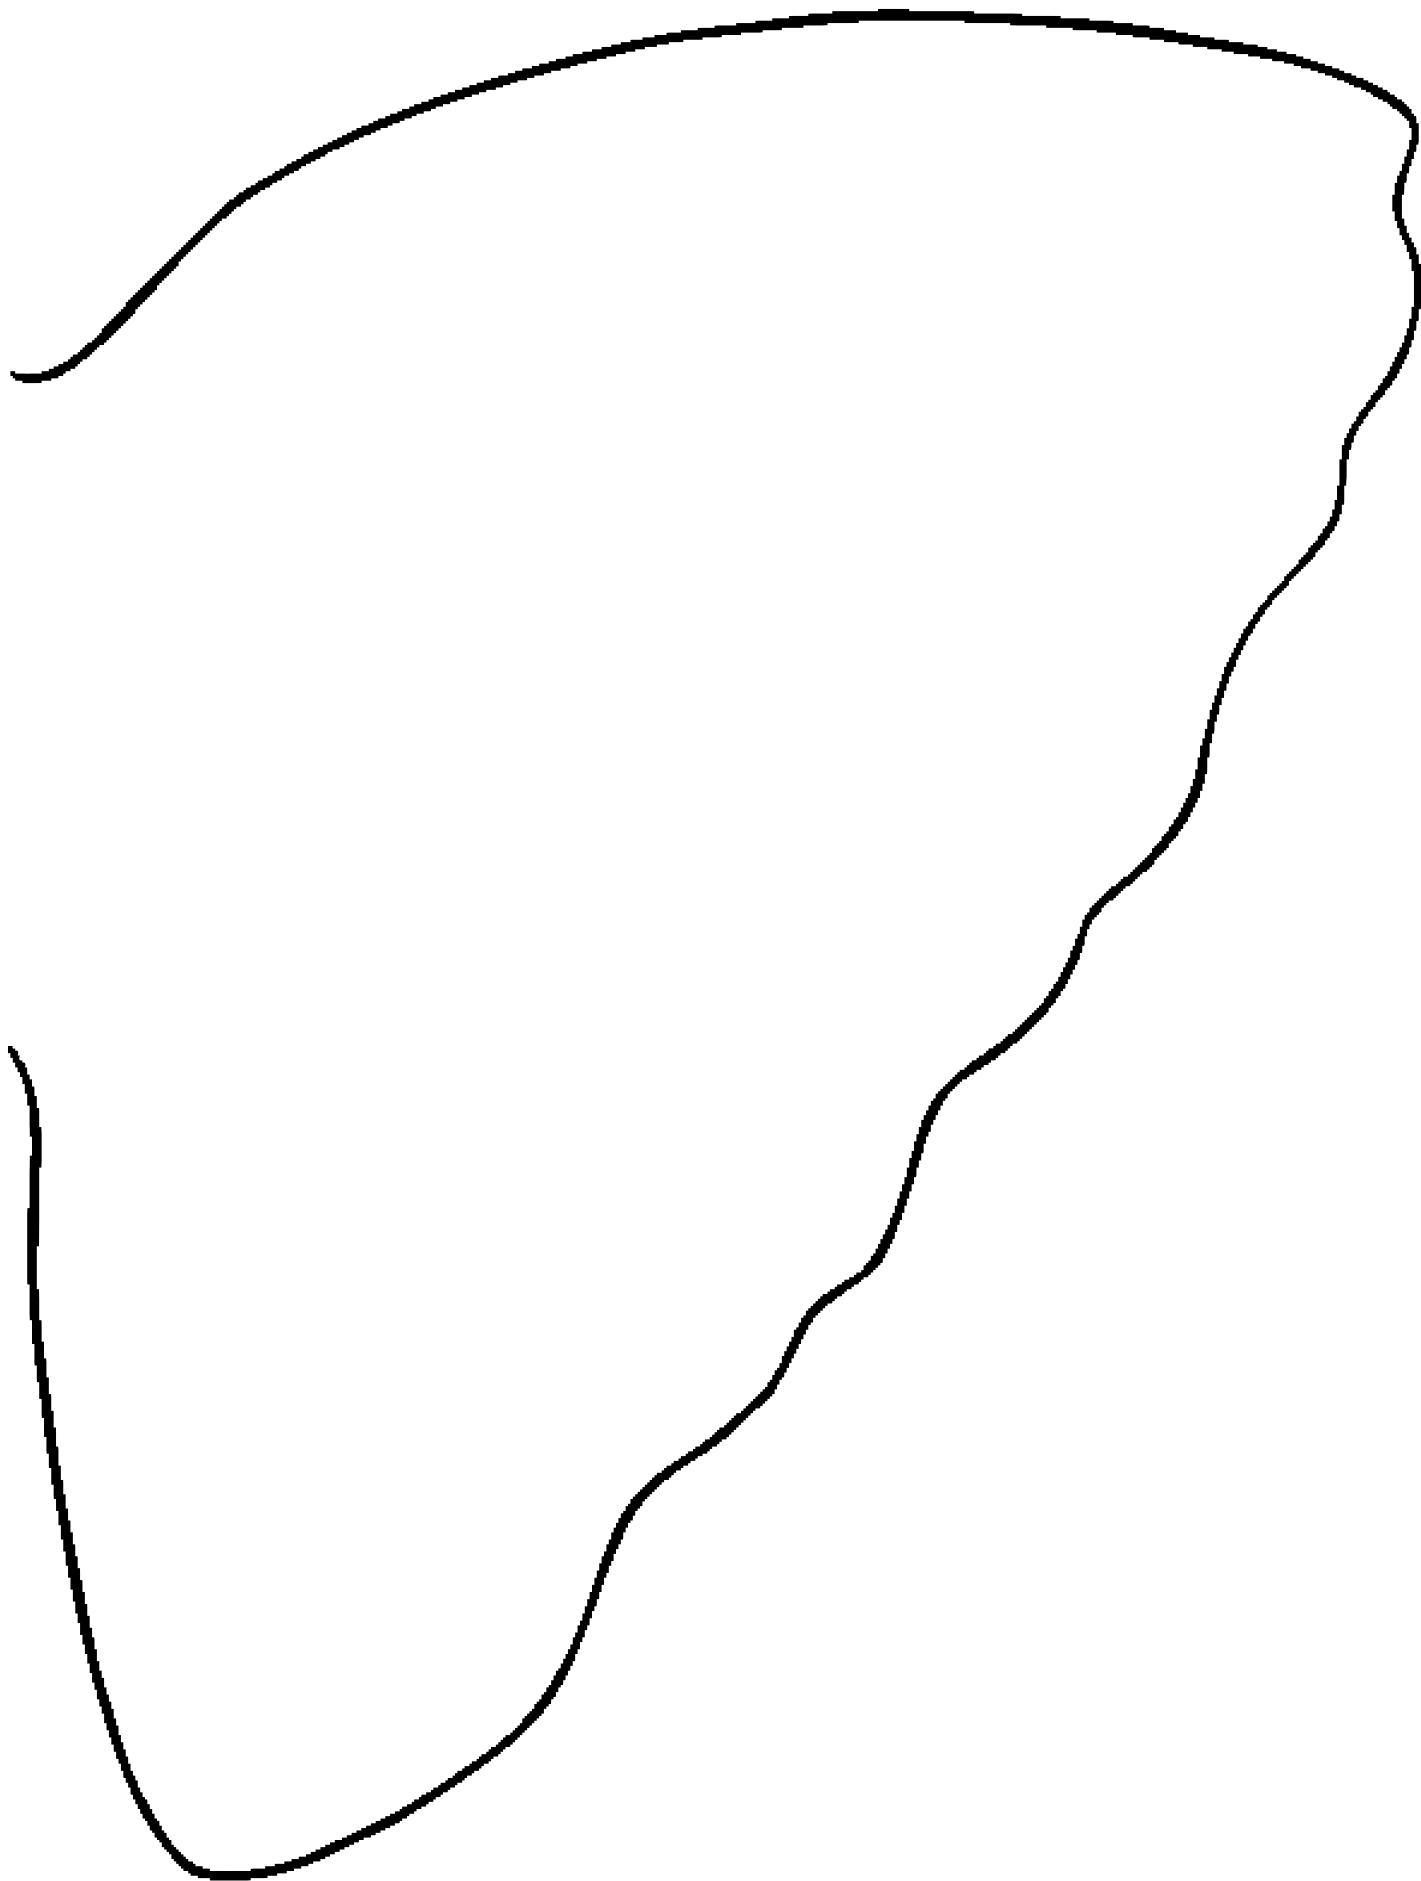

Black marker

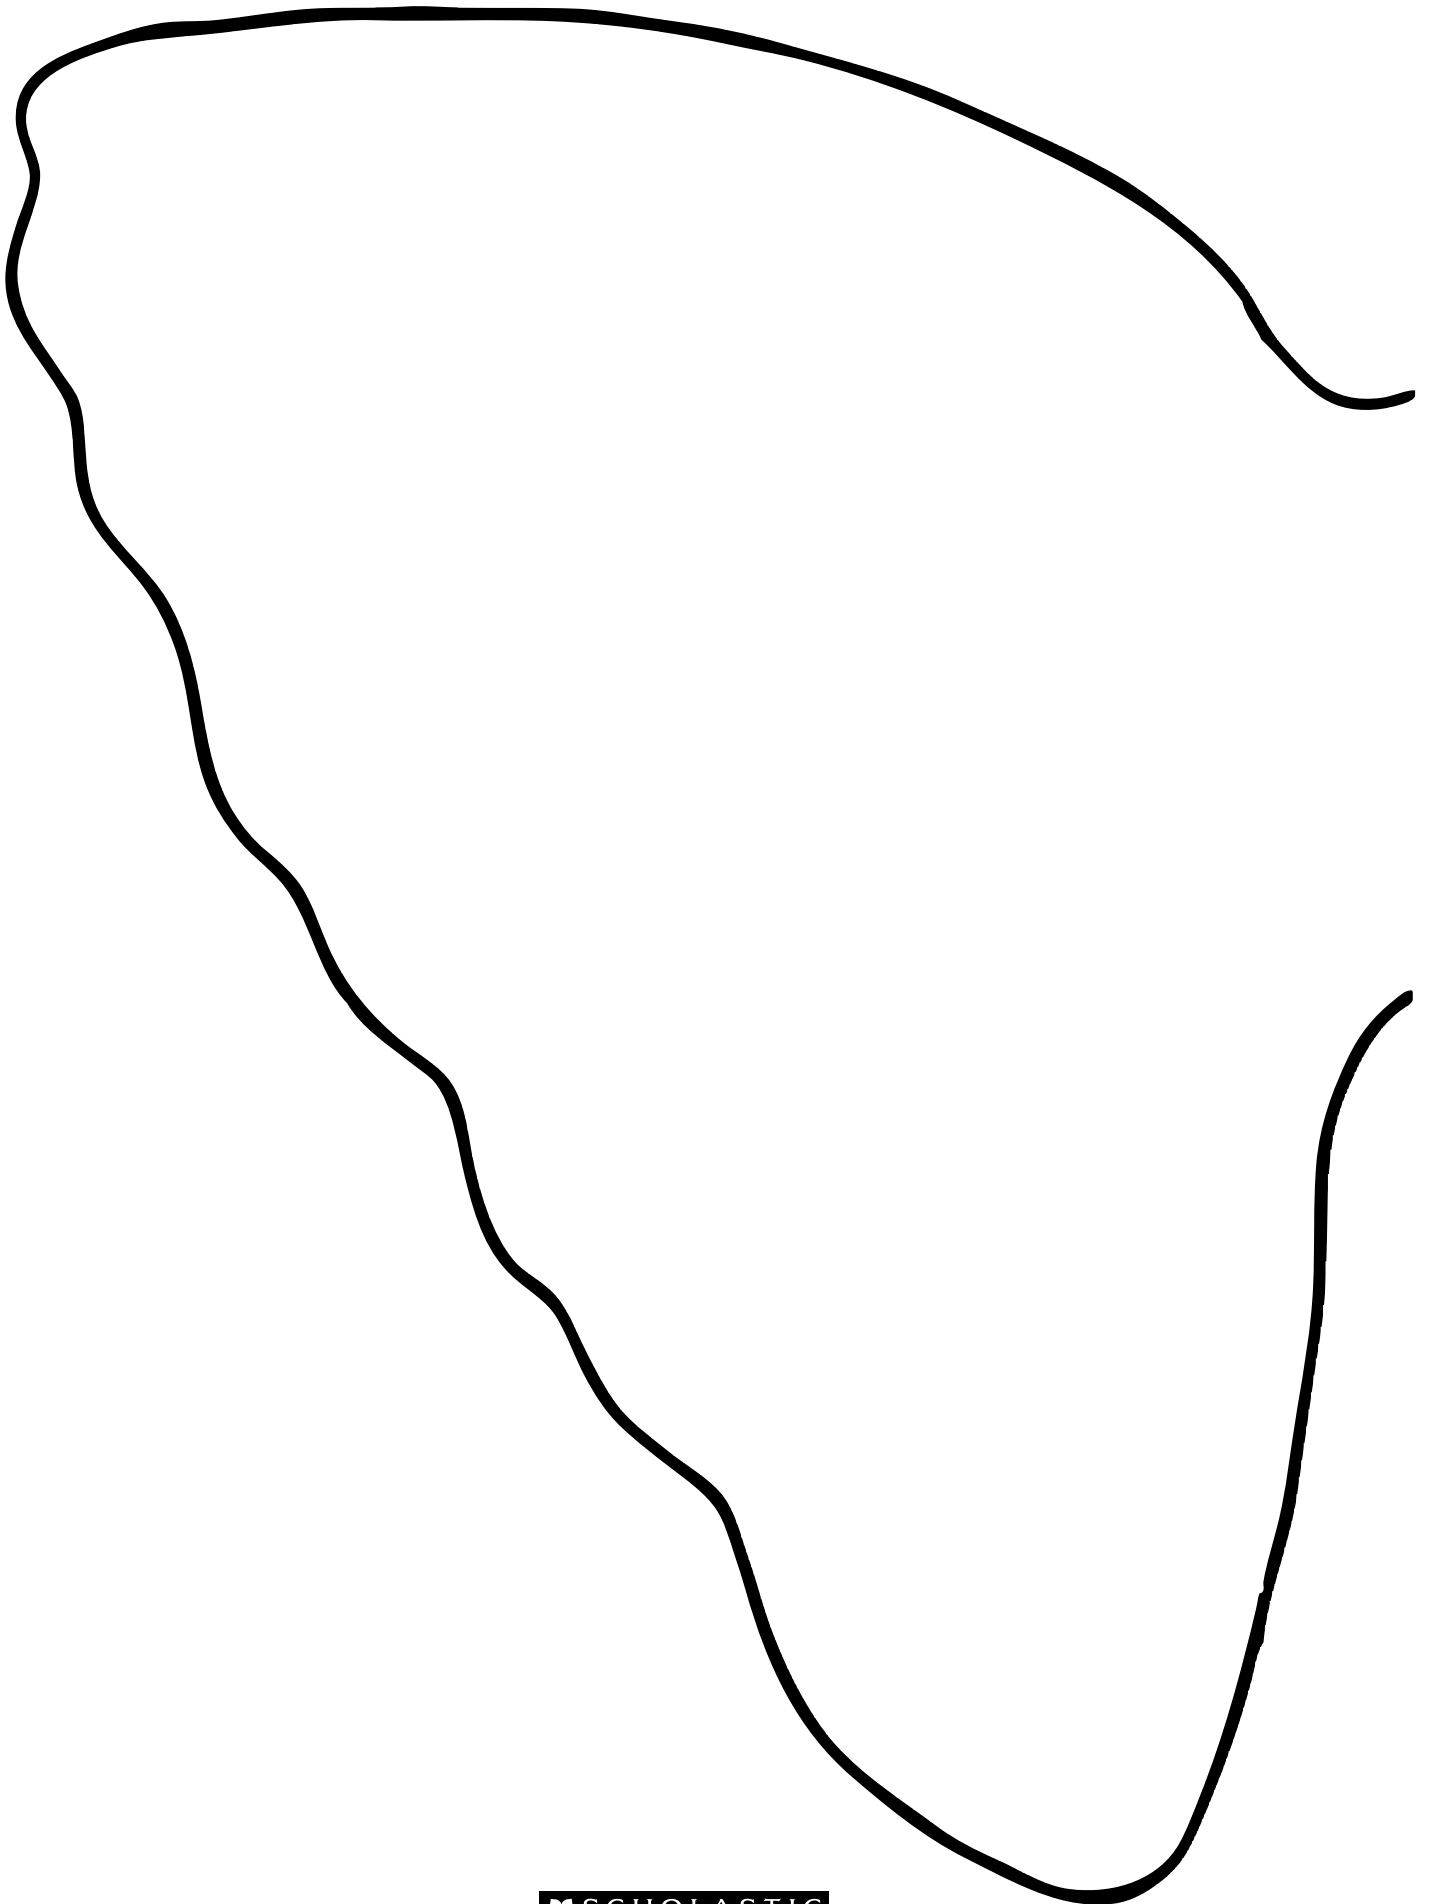

## Directions

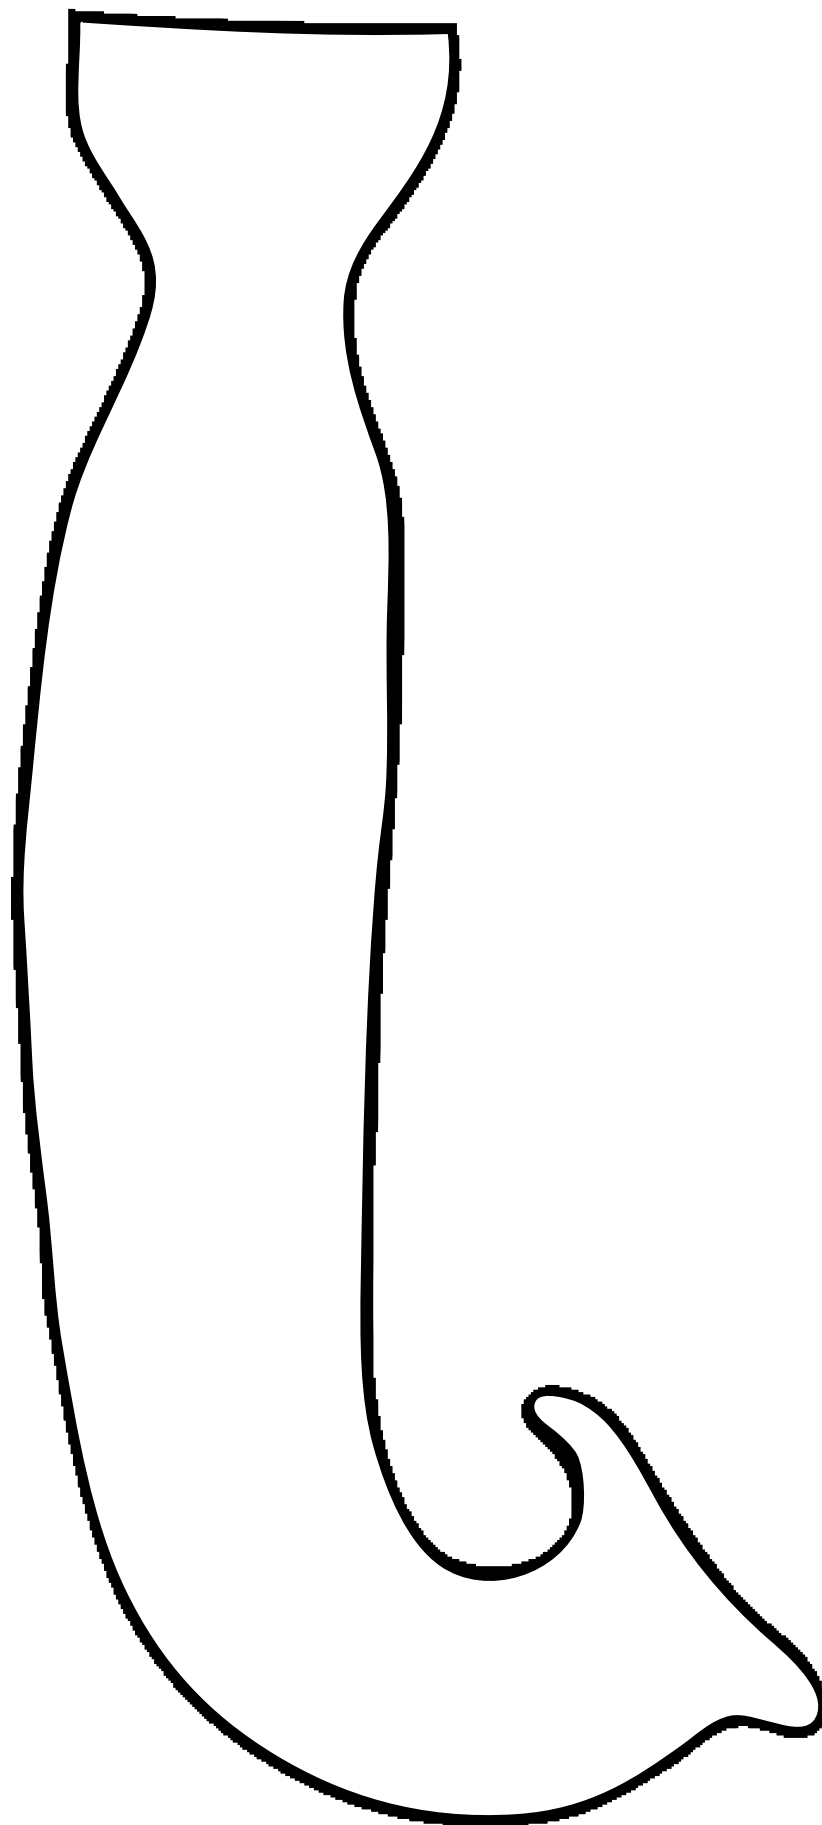

1. Use child-size plastic glasses (available at party stores) for base. Pop out lenses, if you choose.
2. Download pattern, print, and cut out.
3. Trace eye rings, eye feathers, and beak band on light blue construction paper and cut out. Cut out centers of eye rings.
4. Trace beak on to fluorescent orange poster board and cut out
5. Trace beak highlight onto yellow construction paper and cut out.
6. Tape beak highlight and beak band to beak with double-sided tape.
7. Color top of beak band and feather details with a black marker.
8. Hot glue beak to bottom rim of eyeglasses. Finally, hot glue feathers to the back of the top rim of eyeglasses.

# Elephant Mask

## Materials

Downloaded pattern for elephant headband

Slate blue construction paper

Double-sided tape

Scissors

Black marker

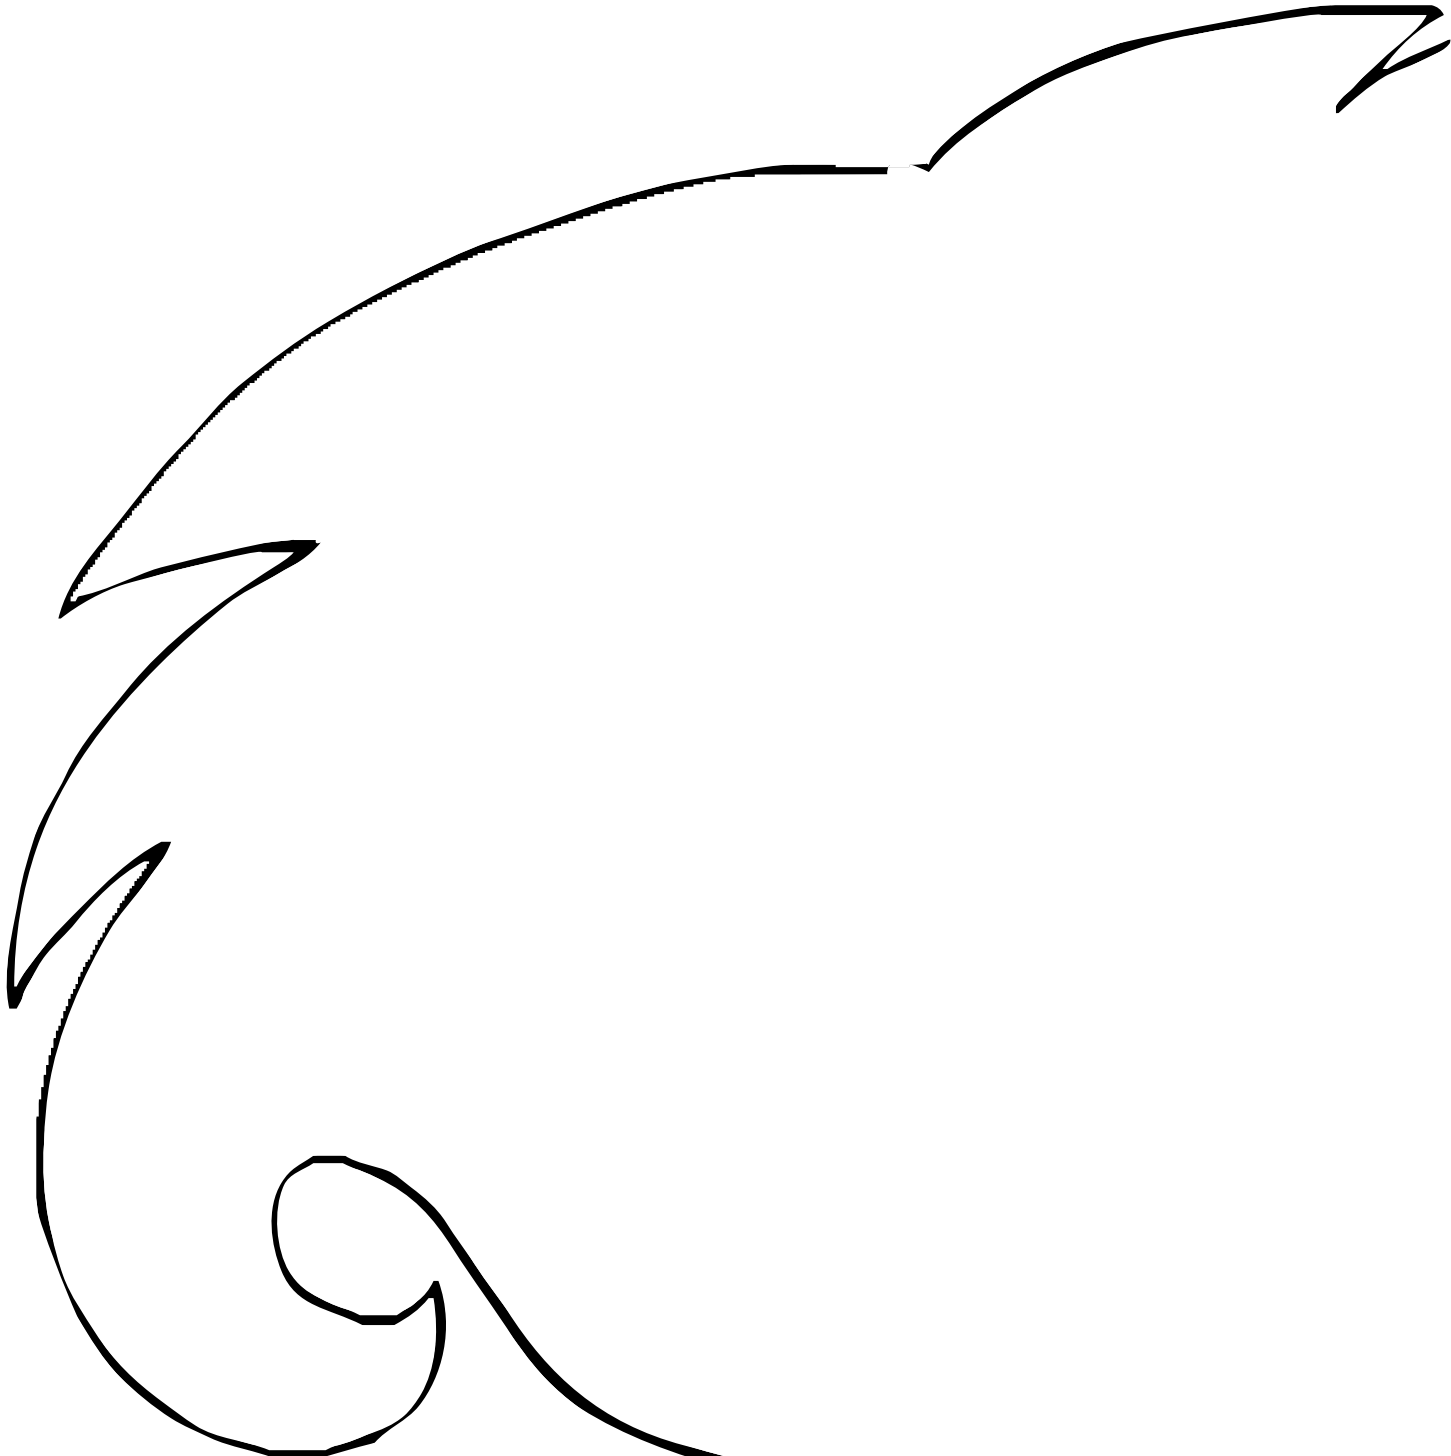

## Directions

1. Cut a 3 ¼" (width) x 24" (length) band out of a large sheet of slate blue paper (available at art stores or art sections of craft stores).
2. Download pattern, print, and cut out.
3. Trace ears and trunk onto remaining paper. Draw ear and trunk details with black marker. Cut out 3 pieces.
4. Fit band around student's head and tape ends together with transparent tape. Attach ears to each side of band with double-sided tape.
5. Tape top of trunk underneath the front of band with double-sided tape.

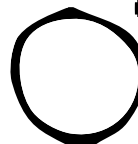

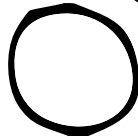

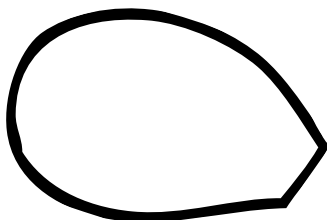

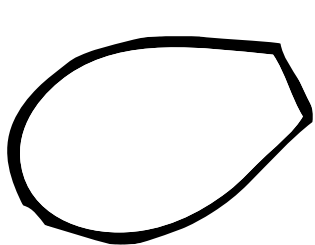

# Gorilla Mask

EAR  
ORANGE

RIGHT EAR  
ORANGE

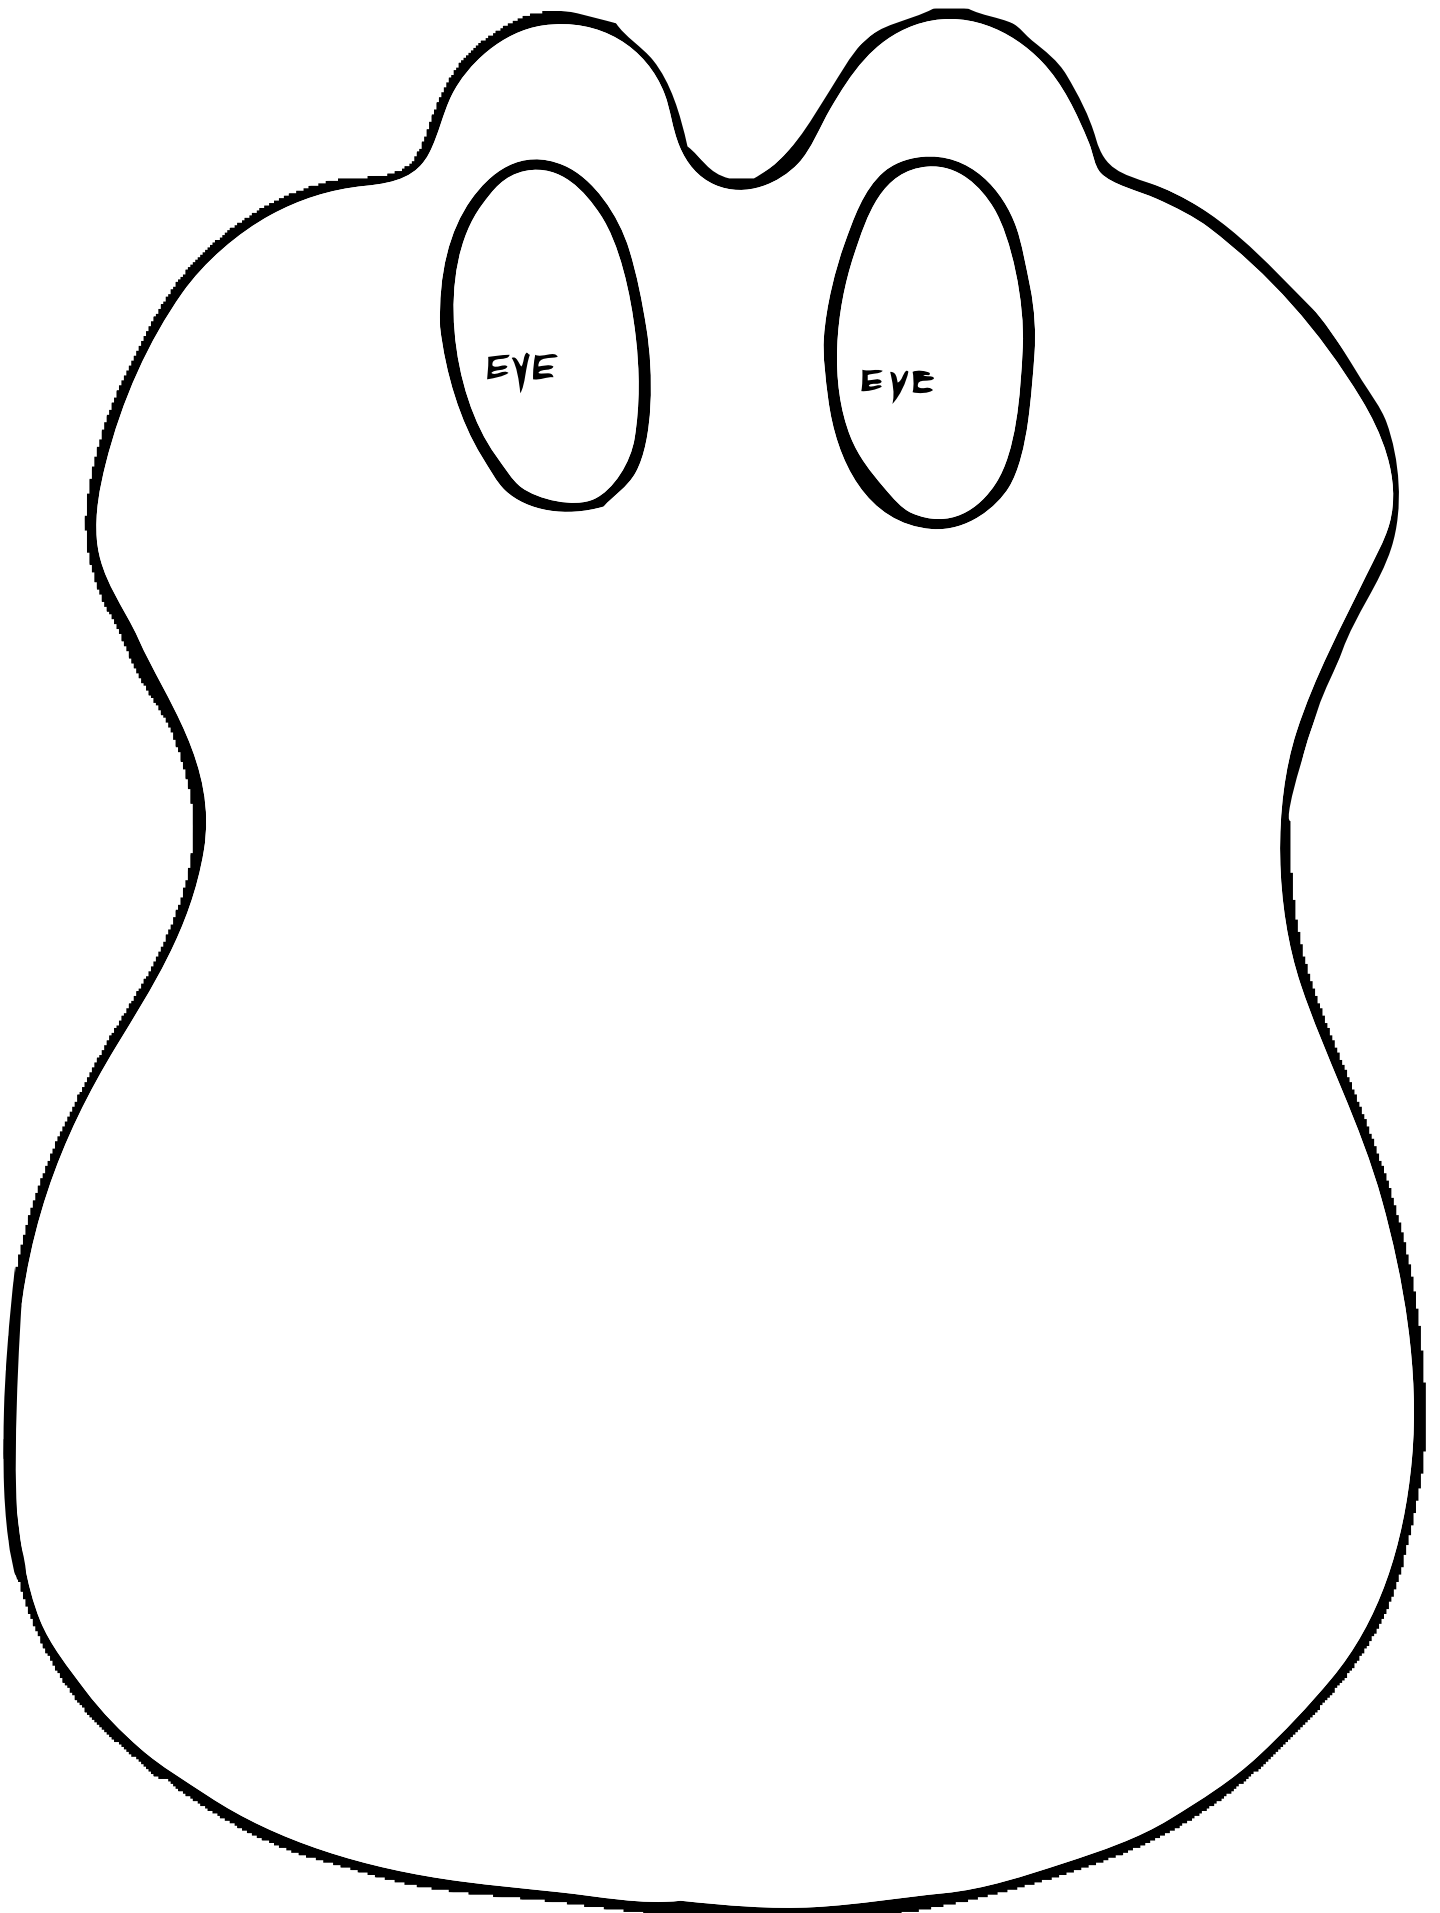

NOSE  
(PINK)

EYEBROWS NORSE

## Materials

Downloaded gorilla mask pattern

Purple construction paper

Orange construction paper

Craft glue

Dark orange marker

Dark purple marker

String

Transparent tape

## Directions

1. Download pattern, print, and cut out.
2. Tape pieces of Gorilla Hair pattern together, trace onto a large piece of purple construction paper, and cut out.
3. Trace eyebrows, nostrils, and chin onto purple paper and cut out.
4. Trace face and ears onto large piece of orange construction paper and cut out. Cut out eyeholes.
5. Using multi-purpose or craft glue, adhere eyebrows, nostrils, and chin to face.
6. Tape face to hair with double-sided tape. Next, tape ears to side of head. Add mouth and ear details with dark orange marker. Draw highlights on hair with dark purple marker.
7. Using transparent tape, tape 2 pieces of thin string to back of gorilla head, level with ears.
