WORDSEARCH

● Try this wordsearch. The words you are looking for are written in CAPITAL letters in the clues. They can be found backwards, forwards, sideways and diagonally in the grid below.

1 Sir Isaac NEWTON wrote three main Laws to explain forces around us.

2 GRAVITY became clear to him after an apple fell on his head!

3 FRICTION is a story that has been made up. True or False?

4 INERTIA is a word to describe how things stay the same.

5 The opposite of inertia is MOTION. True or False?

6 For every force that acts, another reacts – just like when you BOUNCE!

F	G	R	P	L	O	N	B
T	R	E	C	N	U	O	B
C	A	I	Z	E	M	O	M
H	V	A	C	W	P	Y	O
I	I	L	O	T	V	E	T
J	T	O	N	O	I	E	I
S	Y	Y	X	N	T	O	O
A	I	T	R	E	N	I	N
