

## **NASTY KNIGHT'S SHIELD**

**YOU WILL NEED:** colouring pencils or pens, glue or tape, cardboard, scissors. You may need to ask an adult to help.

1. Use colouring pencils or pens to draw your own coat of arms on your shield. The small shields might give you some ideas ... or you might want to draw something completely different.
2. Glue your shield onto a piece of cardboard.
3. Cut your shield out.
4. Cut out a strip of cardboard, and stick each end to the back of your shield, to use as a handle.
