

NASTY KNIGHT'S MASK

YOU WILL NEED: colouring pencils or pens, scissors, elastic.
You may need to ask an adult to help.

1. Decorate and colour in your mask.
2. Stick your mask onto thin cardboard, and cut it out.
3. Ask an adult to cut out the eyeholes and make two small cuts for the elastic to go through on each side of your mask.
4. Fix elastic to each side of the mask - make sure it's long enough to reach around your head, but not too tight or too loose.
