

MASK INSTRUCTIONS

1. Print out the templates and stick them onto thin card.
2. Ask children to colour in the mask pieces.
3. Cut out the pieces and circles for the eyes.
4. Tie a piece of elastic around the back so that the mask fits on the child's head. Alternatively, stick the masks to a ruler or chopstick so that they can be held in front of the child's face.

Now they're ready to get their teeth into the Jurassic Book Fair!
