

## The Egyptians

### 1. Read

The Ancient Egyptians lived about 5,000 years ago. Their kings were called Pharaohs. The Pyramids are the stone tombs of the Pharaohs. The Pyramids are near the river Nile. The Pharaohs put their gold in the pyramids. The Great Pyramid is the biggest. It is 140m high. The Sphinx is in front of all the pyramids. It has the body of a lion and the head of a pharaoh.
