I have a dream...

Think about the world’s problems today. What do you wish you could do something about most?

poverty ☐ pollution ☐ unfairness ☐ illness ☐ animal extinction ☐

Other: __________________________

What do you think the problem really is?

Why do you care about this problem?

What do you think could be done about it?

What would your dream be?

Now write a speech to try and persuade people to listen to your point of view. Read it to a friend. Ask them to help you to improve it.
