Starter activity 2

Objective

Count in repeated steps of 1, 10 or 100.

Strategies

- Count together in tens from 0 to 100, then in hundreds from 0 to 1000.
- Say each of the numbers shown. The children add 1 and say the answer.
- Repeat for adding 10, then for adding 100.

Answers

1. 26, 35,
125
and so on
