

## Where will your quest take you?

Some of the most compelling stories feature a hero or heroine leaving their everyday life to travel through faraway lands in search of a goal or reward. If you could write a quest story, who would your hero or heroine be and where would they travel?

We'd like you to come up with a quest, either for an existing fictional character or for your own protagonist. You can either draw a picture or map of the land your hero would travel through on their quest, with a description or labels, or write your quest story, in 100-1000 words.
