

When a man hits the ball a long way,
it's called a prize
 a joke
 a six

The two batsmen try to make
cakes
runs
points

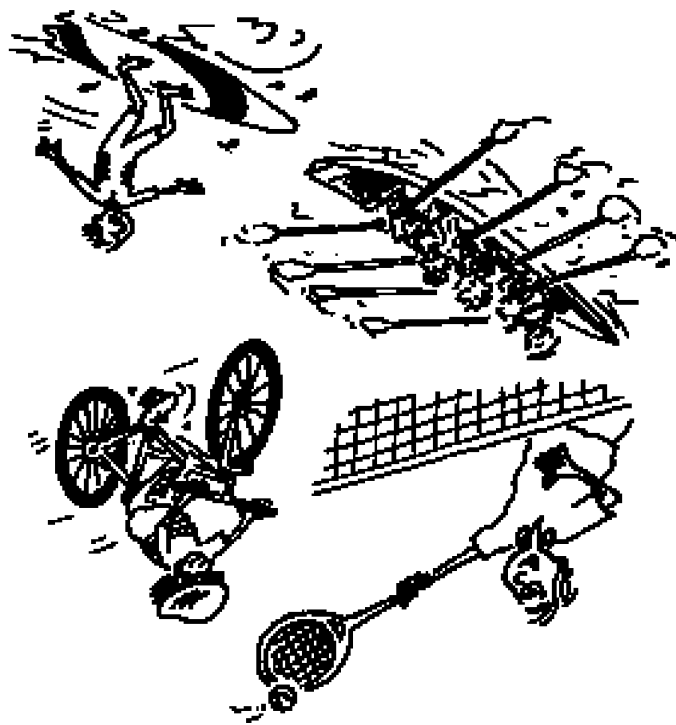

People play cricket

in a stadium
 in the street
 on the grass

When the weather is hot, people like to swim. Where can you swim in the sea in Britain? Look at the map and then finish the sentences on page 16.

Which countries are going to win the prizes? And what are the names of the other countries in the race?

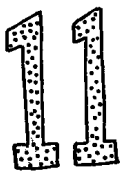

Every year for one week in August, sailors go to Cowes on the Isle of Wight. There are lots of races for yachts and big boats. Look at the race on this page.

fold and cut

Cricket is a traditional English summer sport.

There are

- two people
 - eleven people
 - twelve people
- in a cricket team.

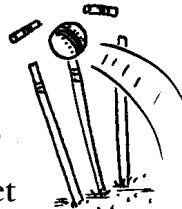

They play with a

- cricket racquet and ball
- cricket bat and ball
- cricket stick and ball

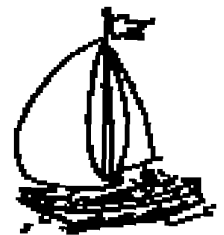

A 'bowler' throws the ball and tries to hit

- the goal
- the sticks
- the wicket

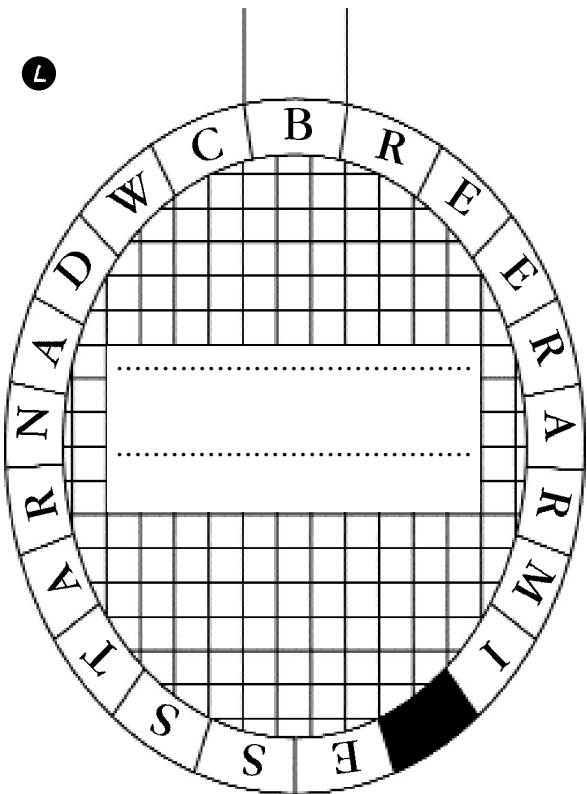

But there is one new sport.

Which is it? Draw the code for it (like the ones on page 2 and page 3).

MINIBOOK 10: MY SUMMER SPORTS MINIBOOK

pages 2 & 3: What are the names of the summer sports?

1. cycling, 2. tennis, 3. swimming, 4. cricket,
5. athletics, 6. rowing, 7. horse-racing, 8. surfing

pages 4 & 5 These are pictures of the sports on page 2 and page 3. But there is one new sport. Which is it? Draw the code for it (like the ones on page 2 and page 3): X ■ □ ▲ □ ⇒ ◆

page 6: In June people go to Ascot to watch horse-racing. One of these facts about Ascot is false. Which fact? **Answer:** 2. *The prize for the big race is one million pounds.*

page 7: Wimbledon is the name of a very famous tennis tournament. What do people eat when they are not watching tennis?
Answer: *strawberries and cream.*

pages 8 & 9: Every year for one week in August, sailors go to Cowes on the Isle of Wight. There are lots of races for yachts and big boats. Look at the race on this page. Which countries are going to win the first, second and third prizes? And what are the names of the other countries in the race?

1st = Canada; **2nd** = England; **3rd** = Spain.
The others are: France, Greece, Australia, America, Sweden, Germany, Italy.

pages 10 & 11: The big race in Cowes week is called The (*two, hat, egg*) Britannia (*ball, rabbit, six, three, cat, one, nine, five, apple*) Cup (*clown, umbrella, penguin*).

page 12: Cricket is a traditional English summer sport. There are eleven people in a cricket team. They play with a cricket bat and ball. A 'bowler' throws the ball and tries to hit the wicket.

page 13: People play cricket on grass. The two batsmen try to make runs. When a man hits the ball a long way, it is called 'a six'.

page 14: In July people wear beautiful clothes and go to Henley to watch a summer sport. And where is Henley? Henley is on the Thames. They go there to watch one of the nine sports in the grid. Which sport is it? **Answer:** *rowing* (because Henley is on the River Thames).

page 15: When the weather is hot, people like to swim. Where can you swim in the sea in Britain? Look at the map and then finish the sentences on page 16.

page 16: If you love swimming, you can swim in the sea in Britain in Newquay, Bournemouth, Brighton, Blackpool and Torquay but you must go to a swimming pool if you want to swim in Oxford, London, Manchester, Birmingham, Leeds or Cambridge. My favourite summer sport is (*pupils' own choice here*)

BACKGROUND

Henley, Ascot, Cowes and Wimbledon get a lot of attention not only because of the sports played, but also because they are seen as key social events where people go 'to be seen' and to parade the latest fashions as much as to watch the sports concerned.
