

RAMADAN RHYMES

Ramadan is over!

Five pretty Eid cards
Standing in a row,
To wish us luck and happiness
Wherever we may go.

Four shiny paper chains
To make the room look bright;
Gold and red and silver, too,
Ready for Eid night.

Three new suits all hanging up,
The best we've ever had –
One for me and one for Mum,
And the biggest one for Dad.

Two small hands with patterns
That my auntie made last night,
Golden brown and beautiful –
She painted them just right!

One new moon is shining,
Silvery and clear;
Ramadan is over,
And Eid at last is here!
