

Animal sounds we can make

After we count three
show us who
you can be –
one, two, three –

ROAR – like a lion prowling.

GRRRRR – like a tiger growling.

PURR – like a sleepy cat.

SQUEAK – like a flying bat.

BARK – like an angry dog.

CROAK – like a funny frog.

Bedtime in summer

In summer, it's light
When I go to bed;
The sun's wide awake
As I bury my head
Between the sheets,
So crisp and white,
And try to sleep
Sweet dreams all night.

BUT

the puppy next door
Begins to yap
And a branch on my window
Goes 'tip tap tap'.

No wonder the sun
Is shining bright –
It's TOO EARLY FOR BED
On this fine summer's night!
