Plus, Minus, Interesting

The PMI helps us to consider all sides of a subject. It is an important evaluation tool.

Complete the following PMI from the author's perspective.

Issue: Is all this moving around a good idea?

PLUS

What does the author think are the positives of this issue?

MINUS

What does the author think are the negatives of this issue?

INTERESTING

What other 'interesting' information has the author included?

Going further

Using the data you have gathered in from your PMI, plan and deliver an expository talk on a topic, such as: 'Family life is being destroyed by our mobile society'.
