

Get prepared for the 11+ exam

We know many of our pupils will soon be thinking about the CEM 11+ exam, and would like trusted, reasonably priced workbooks to help prepare. We are recommending the **Scholastic Pass Your 11+ series**. These are now available to purchase through the school.

The series is created by Tracey Phelps, an experienced 11+ tutor with a **96% pass rate**. Prepare for the 11+ tests with confidence using the quick-fire and full-length practice papers, and skills-based workbooks covering **Maths, Verbal Reasoning, English Comprehension** and **Non-verbal reasoning**. Packed full of authentic multiple-choice questions that are matched to the exam format, these workbooks will help to develop key 11+ skills ahead of the exam.

If you wish to take advantage of this offer please complete and return the slip below, enclosing the correct payment.
