| 4. Horse-drawn trams were replaced by electric ones from about 1900. | _____ |
| 5. Early movies were very short and were made up of lots of still pictures, not moving ones. | _____ |

When is it happening?

Tense refers to time and tells us whether the process or action is taking place now (present tense), has taken place (past tense) or will take place some time in the future (future tense). Change these verbs to the tense required. Some may need a word change.

| Past tense | Present tense | Future tense |
|------------|---------------|--------------------|
| | I live | |
| She drove | | |
| | | They will practise |
| | I send | |
| He bought | | |
| | | I will ride |
