

CRABTREE SCHOOL

Create a Snowflake!

Colour and create your very own ice-lolly-stick snowflakes just like Isabel!

Just follow these instructions to make your own wonderful creation.

Remember to ask an adult to help you!

You Will Need

- Lolly Sticks (you will need 4 to make one snowflake so try and get as many as you can)
- Glue
- Decoration (e.g. glitter, gel pens, coloured markers, sequins etc.)
- Thread or string

Instructions

1. Colour in your lolly sticks. You can colour them all the same colour, or make a snowflake rainbow!
2. Leave the lolly sticks for about an hour, to allow the colour to dry
3. Glue the lolly sticks together so that they look like the picture below:

4. For extra decoration you could glue the front of the snowflake and sprinkle glitter or sequins on for extra sparkle!
5. Attach your snowflake to some string or thread for hanging and enjoy!
