

Living and Growing

Name: _____

This is me.

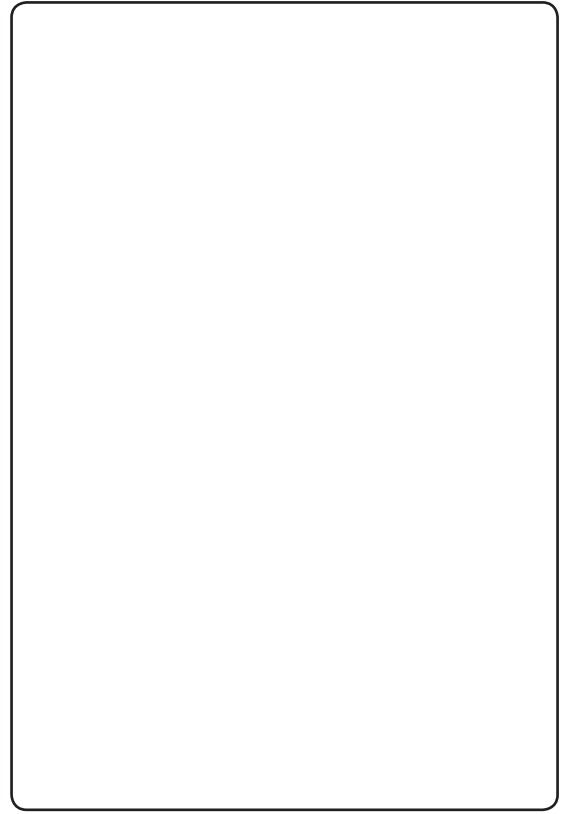

I am _____ years old.

I have _____ eyes.

I have _____ hair.

The school I go to is called

_____.

I know how to do many things.

• I can _____.

• I can _____.

• I can _____.

• I can _____.

Name: _____

1. How many years can some people live?

2. When does a baby's hair and nails begin to grow?

3. When do your first teeth fall out?

4. How old are you when you stop growing?

Turn this page over and draw two pictures of yourself.

Draw yourself when you were a baby.

Then draw yourself as you are now.

Will your legs be longer?

Will your arms be longer?

Will your hands be bigger?

Will your feet be bigger?
