Our Bodies

Name: _____

Write or .

Our bodies are made up of many parts.

Our legs have hands and fingers.

We have three senses.

All people have blue eyes.

We feel through our skin.

Our skin is hard.

There are more than 200 bones
in your body.

We need to take care of our bodies.

Turn this page over. Draw a picture of yourself.

Write these words in the right places on your body.
