Make a Pencil Holder from a Paper Cup

Name: _____

Number each step according to its order in the procedure.
Use the book to help you.

Start to weave the wool around the cup.

Take the string of blue wool.

Tie it around one of the warps,
at the bottom of the cup.

With the scissors, cut one string
from each ball of wool.

Make nine marks around the top
of your paper cup with the pencil.

With the scissors, start at each mark
and cut down to the bottom of the cup.

Explain what a warp is in your own words.
