Every picture tells a story

Look carefully at the photograph below. Then, answer the questions using your imagination and the details that you can see in the picture.

• What colours can you see on the cat?
• What other colours can you see in the picture?
• How would you describe the way that the cat is sitting?
• What is the cat doing?
• Why is the cat on the post?
• How did it get there?
• What will happen next?
Every picture tells a story

Look carefully at the photograph below. Then, answer the questions using your imagination and the details that you can see in the picture.

- What kind of buildings can you see?
- Where was the photo taken? What part of the world could it be?
- What do you think is to the side of the photo, or behind the person taking the photo?
- What are the birds doing?
- How does the writing on the building link to the birds?
- What do you think happened after the photo was taken?
Every picture tells a story

Look carefully at the photograph below. Then, answer the questions using your imagination and the details that you can see in the picture.

• What colours are there on the big wheel?

• What colour is the sunlight in the photo?

• What kind of buildings can you see?

• Where do you think the photo was taken?
