

APOLLODAY

ATHENA'S TEMPLE, GUARDIANS' CHAMBER

Oh no, no, no, no. What have I done?

When I woke, I felt the sun on me - relaxing
and soothing.

But then I opened my
eyes and - **HORROR!**

Well, what I
actually saw was

This in itself was not the horror - it was remembering that my friend has been **TURNED INTO A SPIDER**

 **AND** 

also remembering that, in a fit of anger, with no other way to get back at Athena I ...

perhaps ...

may ...

have ...

possibly ...

thrown ...

Athena's ...

shield ...

into ...

Hades' well.

Oh my gods.

I think I'm going to be sick.
