## Cupcakes

You and your friends can make some yummy cupcakes by following this fun recipe!

Don't forget to ask an adult to help you when baking your treats!

### Ingredients

- 170g (6 oz) butter or margarine
- 170g (6 oz) sugar
- 3 eggs
- 170g (6 oz) self-raising flour

### Method

1. Ask a grown-up to preheat the oven to 180 C/ Gas 4.  
Line a muffin tin with paper cases.
2. Mix the margarine and sugar with a wooden spoon until light and fluffy. Add the eggs one at a time and beat the mixture together. Sift in the flour and mix gently.
3. Spoon the mixture into the muffin tin. Ask an adult to put your cakes into the oven for around 20 minutes. Take them out when they're golden brown and carefully put them on a wire rack to cool.
4. Decorate your cupcakes. You can be really creative with your decoration, from fabulous fruit to rainbow sprinkles, or even melted chocolate! Maybe you could even design some special Crabtree cupcakes based on your favourite characters in the series!

## S'mores

You and your friends can make some delicious S'mores by following this fun recipe!

Don't forget to ask an adult to help you when baking your treats!

### You will need

Marshmallows & sticks for toasting them

Two digestive biscuits (or, if you are in America, two of something called Graham Crackers)

A chocolate bar, broken into pieces (you can also use chocolate digestives instead, and skip this ingredient!)

A grown-up

A campfire or a grill

Toast your marshmallow carefully on the end of your stick.

Make sure you have a grown-up to help you do this!

Once the marshmallow is properly ooey-goey, make a sandwich by putting the melty marshmallow and the chocolate between the two biscuits.

Be careful, ooey-goey marshmallow is hot! It is also delicious, which means that you will definitely want s'more!
