

Dear _____

I found this great website with loads of cool books and fun stuff to do! The website is Scholastic Book Clubs Online at scholastic.co.uk/clubs. I'd love to have a Book Club in our school so that my friends and I can buy the latest books, and we can save up to 70% on some brilliant books by buying them through Scholastic Book Clubs. It's also a great way to get new books for our library because for every order of £10 or more, **20p of every £1 is given back to school in FREE books!**

It's really easy to do. Scholastic will send us Book Club leaflets so that you can give one to all of the other children to take home. All we have to do is fill out the order form and give this and some money to you. You send our school order in and Scholastic will deliver the books to our school for free. You can even complete the whole process online if you want, to make it even quicker and easier to do. It's as simple as that!

Please can you ask Scholastic to send us some Book Club leaflets? Just call them on 0845 6039091 or go to their website at scholastic.co.uk/clubs to see for yourself!

Best wishes,
