

Bird's Eye View

Name: _____

Luke had a **bird's eye view** from way up high in his father's truck.

Pretend that you are way up high in an aeroplane and you have a bird's eye view of your school and your playground.

Here are some of the things you might see.

- The classrooms
- The library
- The office
- The playground

List some more things you might see.

- _____
- _____
- _____
- _____

Turn this page over and draw a bird's eye view plan of your school.

When you have finished, check each thing on the list. Make sure you have drawn it on your plan.

Show your plan to a friend.
