

# ICE AGE THE MELTDOWN

## CHAPTER ONE 'We aren't safe here!'

It was a hot sunny day in the valley. The animals played on the ice and in the water. They loved the sun, but there was a problem ...

Manny talked to the animals. 'We aren't safe here,' he said. 'The ice is melting. Soon our valley is going to be under water.'

'What can we do?' asked the animals.

'There's a boat at the end of the valley,' said Manny.

'Is it far?' asked Sid.

'Yes,' said Manny, 'but it's safe there.'
