Physical landscapes in the UK
Coastal landscapes in the UK

Answer two questions from the following:
questions on Coasts, questions on Rivers,
questions on Glacial landscapes.

Shade the circles below to indicate which
two optional questions you will answer.

Coasts 〇  Rivers 〇  Glacial 〇

Study Figure 1, a 1: 50 000 Ordnance Survey map extract of part of the area around Hurst Castle in Hampshire.

Figure 1

1. Identify the landform shown in grid squares 3090, 3189 and 3190 in Figure 1. (1 mark, ♦)

2. Name the process that was involved in creating the landform shown in Figure 1. (1 mark, ♦)

3. Using Figure 1, identify the grid reference for Hurst Castle.
Shade one circle only. (1 mark, ♦)

A. 898318 〇
B. 318897 〇
C. 908318 〇
D. 318908 〇

NAILIT!

Learn how to read four- and six-figure grid references. A good way of remembering grid references is to always read from the bottom left-hand corner of the map extract and read ‘along the corridor and up the stairs’. (Read horizontal figures followed by vertical figures.)
