

Scholastic and the IB PYP

Scholastic Education publishes resources that are ideal for schools following the International Baccalaureate® Organisation (IBO) Primary Years Programme (PYP). The table matches these series and book titles to the six organizing themes of the IB PYP along with appropriate age categories. We have also provided page numbers to the Scholastic International Catalogue (2011/12) for schools looking for further information about a book or series. Finally, each series and book title includes links to our shop for schools who wish to purchase these resources.
