

Name: \_\_\_\_\_

1 Complete the crossword puzzle using the clues provided.

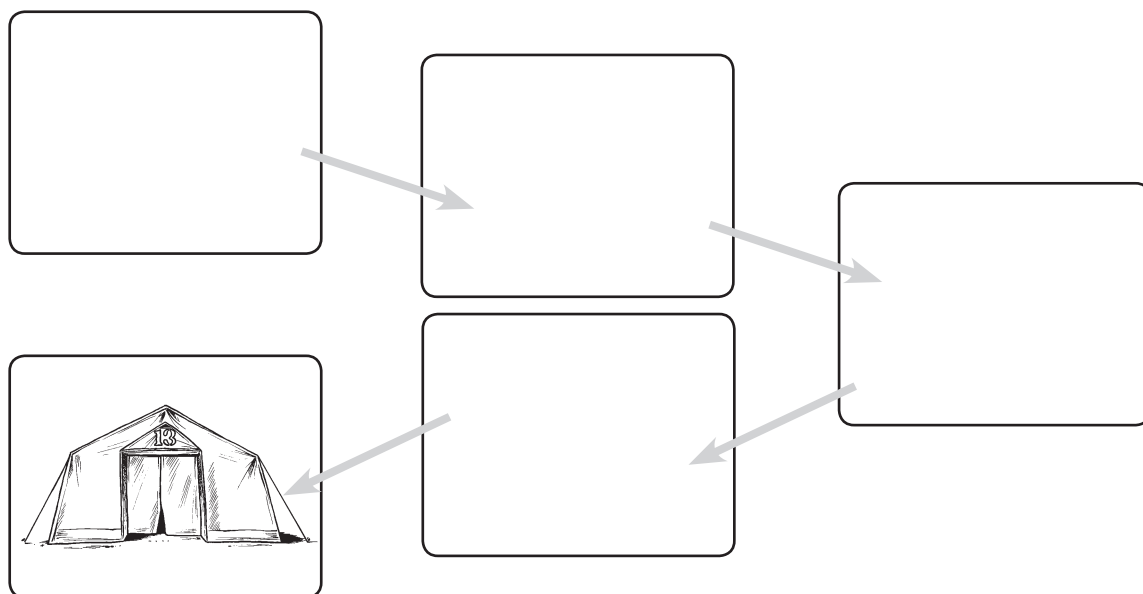

## Across

5. Nobody was entering Anna's troubled \_\_\_\_\_
6. Anna and her family became \_\_\_\_\_

## Down

1. Each tent was \_\_\_\_\_ for identification.
2. \_\_\_\_\_ boarded the bus at the border.
3. Dana Alic had the role of \_\_\_\_\_
4. The \_\_\_\_\_ was like a tent city.

2 Create a story map showing the series of events that occur from the time Anna boards the bus until the time Anna and her family head to their tent 'F 13'. Use pictures for each event.

## Looking back and making connections

Anna struggled with English. The staff at the camp only knew a few words in Anna's language. Find out how to say 'Good Morning' and 'Welcome' in a variety of languages. Ask your classmates to help you. Write the words on the back of this sheet.

# To the Other Side

Name: \_\_\_\_\_

- 1 From the box below, select the best two characteristics for each character. On the back of this page, write two examples of why you selected them, including dialogue or actions by the character or the narrator.

*determined, stubborn, friendly, optimistic, whinger, encouraging, traumatised, reluctant*

Anna

Dad

Eva

- 2 There are four types of adverbial phrases used to describe verbs — phrases of *manner* (how something occurs), phrases of *place* (where something happens), phrases of *time* (when something happens) and phrases of *reason* (why something happens). Underline the adverbial phrase in each sentence below and then write the type of phrase in the space provided. The first one has been done for you.

**Sentence**

**Type of adverbial phrase**

- a She dreaded the thought of him dying here, in a foreign country.

place

- b The bus chugged with great effort up the mountain road.

- c The passengers began collecting their few belongings together, as the bus slowed to a halt.

- d Anna waited for Mum on the grass, sitting with her head slumped.

- e Week after week he did this (sent letters), without losing heart.

- f There was coughing, because of the thick, smoky air.
