DONNIE'S ROBOT

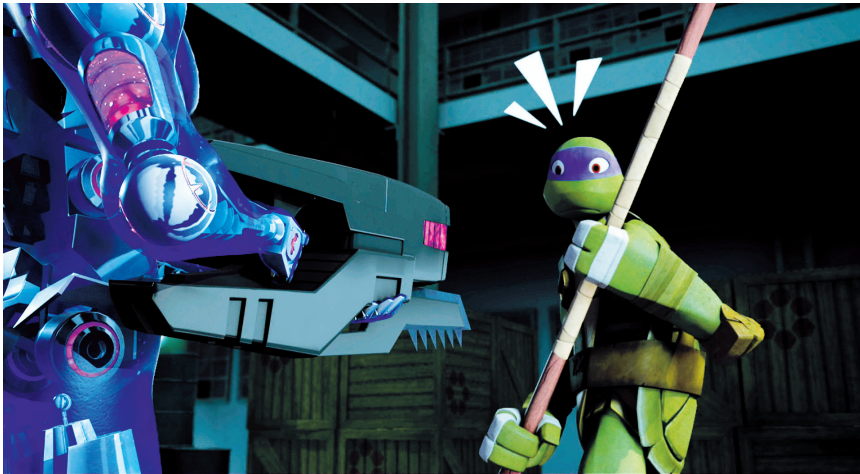

CHAPTER ONE
A new idea

'I've got it!' Raph shouted. He ran at the Kraangdroid and it fell down. The Kraang alien jumped out and ran away.

Donnie looked at his bo staff.

'This thing is not cool,' he said. 'How can I fight the Kraang with an old bo staff?'

Then he looked at the Kraangdroid. 'I've got an idea,' he said.

'Donnie! Watch out!' shouted Leo.

There was one last Kraangdroid, and it was in front of Donnie.

'Aaaarr!' Donnie shouted. He hit the Kraangdroid with his bo staff. The Kraangdroid looked at him.
