

Answers to Scholastic National Curriculum English Practice Book for Year 1

The answers are given below. They are referenced by page number and where applicable, question number. The answers usually only include the information the children are expected to give. There may be some places where the answers vary or multiple answers are acceptable, these are marked as such.

Note that answers in literacy will be varied and subjective from child to child, and a fair degree of marker discretion and interpretation is needed, particularly if children's understanding and skills have to be deduced from their answers.
