Name: _____

- 1 Some information can be found right there on the page and other information can be found 'between the lines'. Read the following sentences and then circle whether they are true or false. Find a sentence in the book that shows that you are correct. Copy it into the space provided.

a In the past, cleaning paintings took a very long time. True/False

b Using laser beams to clean paintings is very risky. True/False

c Before artists restore paintings, they check them carefully. True/False

d Paint sprayed on walls is always called graffiti. True/False

e Michelangelo became a famous artist. True/False

- 2 Authors must be careful not to generalise when writing. For example, they can only write 'Painters always use oil paints' if it is true. The words in the box below show different 'degrees of certainty'. Select the best word for the following sentences.

never almost rarely sometimes often usually
mostly always some most absolutely

a In the past, paintings were _____ cleaned by hand.

b Now, lasers are _____ used instead.

c Impressionists _____ used strong colours.

d Artist could carry paints in tubes _____ anywhere.

e Artists do not _____ paint on pieces of wood, paper or canvas.

f _____ artists who paint murals buy their acrylic paint in spray cans.

g Impressionists _____ left their studios to paint outside, in the open.

Looking back and making connections

On the back of this page, write one 'Did you know?' fact for each of the following:

Mural Fresco Impressionists Installations Sculptures
