The Flower Necklace

Name: _____

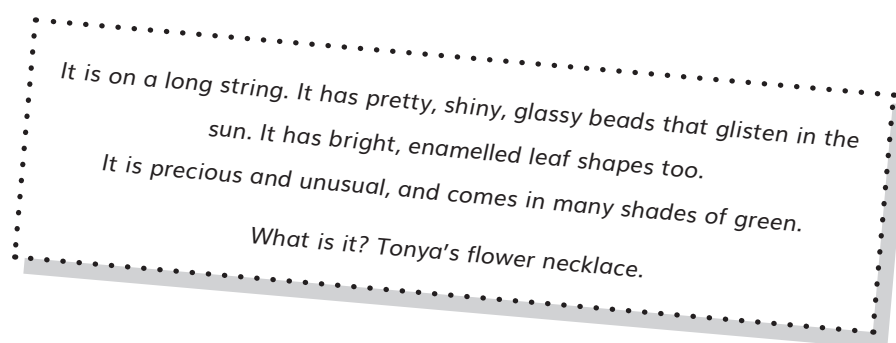

Describe it!

Adjectives are describing words. They help give a clearer picture of a person, place or thing. The following adjectives and phrases are used to describe Tonya's flower necklace. See if you can add any more to the list.

Bright, enamelled leaf shapes, every shade of green, pretty, shiny _____

What am I?

Adjectives can be put together in sentences to create clues about an object.
For example:

Choose three special treasures or toys you own and write adjectives to describe what they are like. Use these as clues for a 'What Am I?' game to share with others.
