## Termly Assessment Tests

NEW

### Prepare for SATs success with assessment every term

- ✓ Assess children's knowledge and understanding with termly tests, matched to the statutory format
- ✓ Easily identify and target gaps in learning from the very start of term
- ✓ Track progress for Years 2–6 children throughout the year
- ✓ Provide targeted feedback to help children boost skills and confidence
- ✓ Generate progress reports using the Results Tracker (see page 4)

Termly Assessment Test packs include 30 copies of three separate tests in Reading, Maths and Grammar, Punctuation and Spelling, plus online notes, guidance and mark schemes. Identical in format to the real National Tests, Test A is suggested for the autumn term, B for spring and C for summer but can be used at any time.

# SATs Booster Programme

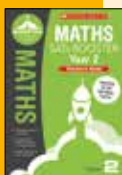

## Boost SATs skills with targeted practice and assessment

Target learning areas that need development with the SATs Booster Programme, perfect for building confidence for children in Years 2 and 6. The flexible 8–12 week structure includes a teacher’s guide plus linked workbooks and practice tests, matched exactly to the National Test format.

### Teacher's Guide

Support and guidance on how to work the 20–24 booster units into the school day.

### Workbooks

Workbooks are packed with activities to reinforce skills in the classroom or at home.

### Tests

Identify areas where children need extra support with authentic tests.

SATs Booster Classroom Programme Packs are available for Years 2 and 6 for Maths, Reading and Grammar, Punctuation and Spelling, and include a teacher’s guide, a workbook and one complete practice test.
